Philips AmbientLED
Energy saving indoor flood light

18W
PAR38
Soft White; Dimmable

046677418441

A simple way to beautify your home

Saves up to 80% in energy costs

Philips AmbientLED light bulbs are the smart alternative to standard incandescent bulbs. They deliver exceptionally long life, significant energy savings, beautiful light, rugged construction and contain no mercury.

Energy efficient
- Saves up to $198 in energy costs over the life of the bulb
- Replaces a 90W PAR38 Halogen flood light

Long lifespan
- Lasts at least 22.8 years

Perfect Shape
- Fits easily into existing fixtures
- Ideal for recessed cans and track light fixtures

Sustainable choice
- Reduce greenhouse gases and shrink your carbon footprint
- Contains no mercury

* 22.8 years means rated average life based on engineering testing and probability analysis where the lamp is used on average 3 hours/day, 7 days a week.
* At $.11 per kWh, this 18W, 3,700 Candela (candlepower) LED PAR38 uses $49.50 of electricity over its 25,000 hour life. This is a $198 savings when compared to the $247.50 required to run a 90W, 3,697 Candela, halogen PAR38 over the same period. Actual savings will vary depending on cost per kWh.
